

OUR EDUCATION VOLUNTEERS

Our volunteers continue to spread the word throughout Western New York. Angie Knisley and Ron Missel showed the film of “FLOW: For Love of Water” to a Niagara County audience on April 24th. Margaret Wooster was also a speaker at the event. Angie represented us at Eco-Fest at the Genesee County Community College on April 30th. Ron Missel did the set up for the showing of “Kilowatt Ours” at the Harlem Road Community Center on May 7th. On May 9th, both Angie and Ron tabled at the well attended Green Jobs Fair at the Main Place Mall in Buffalo. The education committee continued its annual tabling at the Buffalo Zoo Earth Day on June 20th. Many thanks!
