

1) Sierra Niagara Group Ex-committee Elections

The Niagara Group Ex-com has 12 seats. January 1 of each year 6 Ex-com members are retired and 6 newly elected or re-elected members from the Group fill those seats.

All those interested in being elected to the Ex-com must send a 200 words or shorter election-bio to the Nominating Committee at larry_beahan@roadrunner.com no later than August 24.

The deadline for the Trail blazer in which those bios and the election ballots will appear make it essential that they be submitted by August 24.

Anyway, come along and get in the action. Help protect Allegany State Park and the Erie County Forest. Let's get CWM under control and clean up West Valley, fight Global Warming – locally and nationally or whatever is eating at your heart. Run for Group office and even if you don't run come to the Ex-com meetings and get to work.
