

Events:

- 1) National Event - Rally for G-20 Summit
- 2) Buffalo Waterfront Program

1.

Next week, the world's attention will turn to Pittsburgh as the international "Group of Twenty" (G-20), Finance Ministers from 20 of the world's industrial and emerging-market countries, discuss recovery from the global economic and financial crisis.

This is our chance to show the world that the answer to global economic recovery is building an economy based on clean energy. It's how we put Americans back to work, create millions of clean energy jobs, and decrease the carbon pollution that causes global warming.

Leaders from the United States and around the world need to know that we won't settle for anything less. Will you add your voice to the rally for a clean energy future?

Here are the details:

WHO: You, your friends, and family!

WHAT: Rally with musical entertainment focusing on Clean Energy Jobs and comprehensive Climate Legislation.

Free tickets to be closest to the action are limited and going fast!

WHEN: Wednesday, September 23rd, 6-9pm

WHERE: Point State Park, 101 Commonwealth Pl # 1,  
Pittsburgh, PA 15222-1249

A free bus will be leaving from Buffalo (2 p.m.). Contact Rachel Ackoff, 202-548-6593 or [rachel.ackoff@sierraclub.org](mailto:rachel.ackoff@sierraclub.org) to get on the bus!

RSVP: <http://action.sierraclub.org/G20>
